

WARRANTY

At Sports & Fitness Exchange (SFE), we stand behind the quality of every product we sell. Every product goes through a thorough quality inspection to ensure the product functions as the manufacturer designed. All equipment is warranted to be free from mechanical defects in materials and workmanship under normal use. Equipment is not warranted for cosmetic blemishes or damage from outside influence. Normal wear and tear, cosmetic changes, misuse, accidents, modifications, improper installation, outdoor use, and use of unauthorized parts or accessories are not covered. Claims may require proof of purchase, and SFE may request photos, videos, or return of the defective item for verification. At our discretion, we will provide replacement parts at no charge for covered defects; however, labor, maintenance, adjustments, and installation are the responsibility of the owner. Our liability is limited to the amount paid for the product, and this warranty replaces all other warranties, expressed or implied. Some limitations may not apply depending on your jurisdiction. For service or support, please contact SFE directly.
